Ready to take your research to the next level? [Try Flow](#), our super-intuitive, cloud-based collaborative document and citation manager. Flow manages and displays your full text PDFs, autocompleting their metadata so you don't have to. You can read and annotate the text right in your browser, then cite your references with Flow for Word. Collaboration is a cinch, too: Flow lets you share your work and co-create shared collections with classmates, colleagues, or students, then annotate them together. Importing your research from RefWorks takes a single click. [Learn more about Flow.](#)

The screenshot shows the RefWorks 'Create Account' form. The form is titled 'Create Account' and has a blue header with the RefWorks logo. The form is divided into three steps: Step 1: Account Information (completed), Step 2: User Information (current step), and Step 3: Finished (Enjoy RefWorks!). A red callout bubble with the number '3' points to the 'Step 2: User Information' step. The form fields are: 'Your Name' (text input with value 'Najwani Amir Sariffudin'), 'Area of Focus' (dropdown menu with value 'Science & Technology'), and 'Type of User' (dropdown menu with value 'Graduate Student'). A red callout bubble with the number '4' points to the 'Create Account' button at the bottom right. The background shows a blurred view of the RefWorks website with various navigation links and text.

HOW TO CREATE REFWORKS ACCOUNT

Start screen will be displayed

You are ready to start using Refworks

The screenshot displays the RefWorks web interface. At the top, there is a navigation bar with links for Language, Update Profile, Customize, Contact Us, RefMobile, and Log out. The main header features the RefWorks logo and a welcome message from Universiti Putra Malaysia, identifying the user as Najwani Amir Sariffudin. Below the header, a secondary navigation bar includes tabs for References, View, Search, Bibliography, Tools, and Help, along with a search box labeled 'Search Your Database'. A toolbar contains buttons for 'New Folder', 'Create Bibliography', and 'New Reference'. The main content area shows a breadcrumb trail 'References > All References' and a control panel with options for 'References to Use' (Selected, Page, All in List), 'Organize & Share Folders', 'Sort by' (Authors, Primary), and 'Change View' (Standard View). The main display area is currently empty, showing 'No references found.' On the right side, a sidebar menu is visible with sections for Announcements, Resources (Support Center, Webinars), Folders (My List, Not In Folder, Last Imported), Quick Access (Advanced Search, Import, Export, Create Bibliography, Print References), and Statistics.
