LIAISON LIBRARIAN

In order to support and reinforce learning activities, teaching and research at UPM, Perpustakaan Sultan Abdul Samad (PSAS) has introduced a service offered by Liaison Librarian. Through this program, PSAS has appointed a Librarian who will be responsible directly to the faculty, school, institute and center represented.

Subject Guides compiled by liaison librarians with the objective of providing efficient services to lecturers, researchers and students. They will be able to use the guides in preparing their research works. Apart from providing useful tips and guides, it is also a reliable sources of information.

A Subject Guide is a quick way to obtain authoritative and reliable information about one particular subject. It is a starting point to assist you in finding the relevant information that you are searching for. Besides, it also helps you in navigating the library sources effectively. You can also save your in identifying some of the major and specialized sources for your area of research.

The guides present you with a variety of resources which are accessible via the library portal. These include printed materials, databases, e-journals, e-books, and organizations. Choose your area of study and explore the available Subject Guides.
