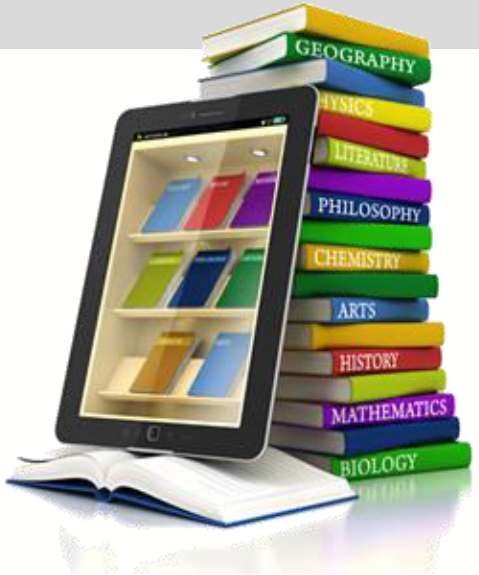
ONLINE DATABASES

REFERENCE DIVISION
Perpustakaan Sultan Abdul Samad
Universiti Putra Malaysia
2021

What is Online Library Databases?



- ✓ Online Library Databases provide **online access to information resources** across various topics and academic subject areas.
- ✓ Accessing from the library website will ensure that you have **full access to the subscribed databases**.
- ✓ These databases provide access to **published information sources**.

Example:

Academic Journal Articles, Conference Proceedings, Government Publications, Annual Reports, Scholarly Magazines, Newspaper, Encyclopedias, Journals and other information sources from authorized publishers.

LEARNING OBJECTIVES

To introduce to users about online databases that subscribed by UPM Library.

To teach users to use the database properly in accordance with the relevant subject.

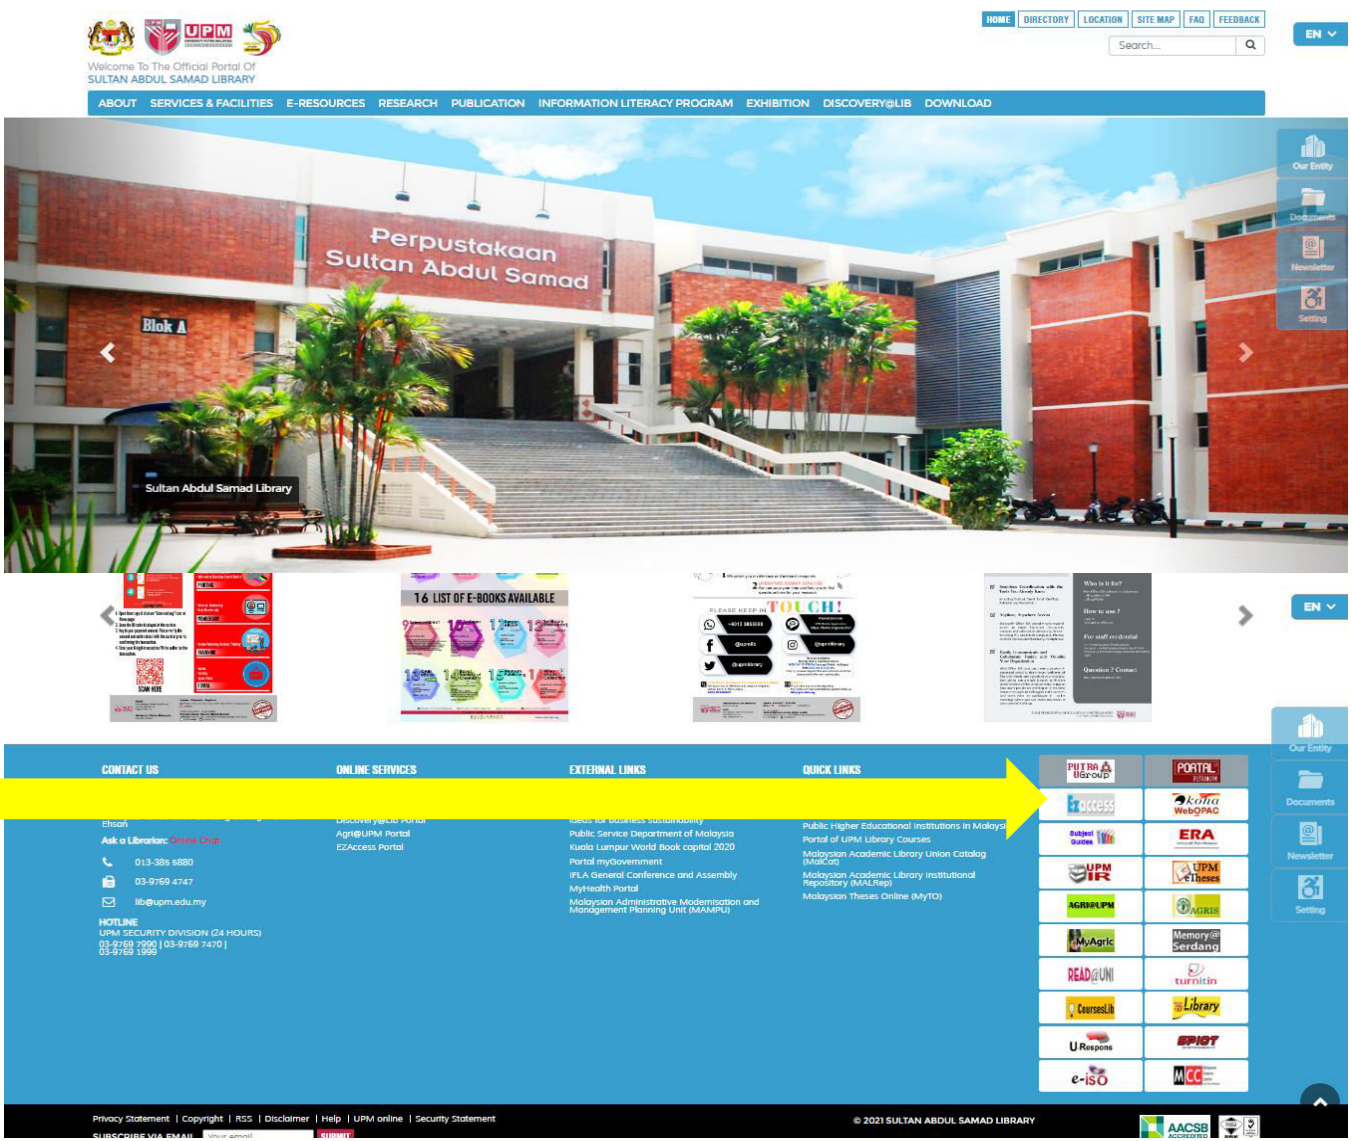
To help users in search of electronic information sources easily and flexibly.

To help users in full text article/book search.

HOW TO ACCESS?

Step 1
Go to Library Website
www.lib.upm.edu.my

Step 2 :
Scroll down and
click icon **Ezaccess**



HOW TO ACCESS?

Step 3:
