

ONLINE DATABASES

PREPARED BY: REFERENCE DIVISION, PERPUSTAKAAN SULTAN ABDUL SAMAD

What is Online Databases?

- ✓ Online Databases provide **online access to information resources** across various topics and academic subject areas.
- ✓ Accessing from the library website will ensure that you have **full access to the subscribed databases**.
- ✓ These databases provide access to **published information sources**.

Example:

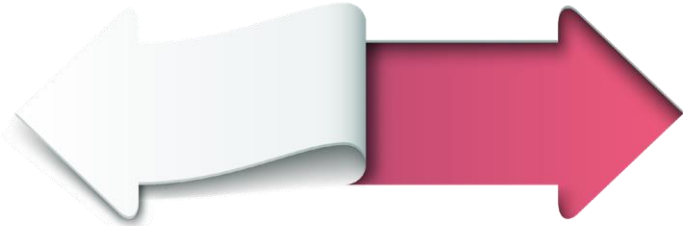

Journal Articles, Conference Proceedings, Scholarly Magazines, E-Books, Theses, etc. from authorized publishers.

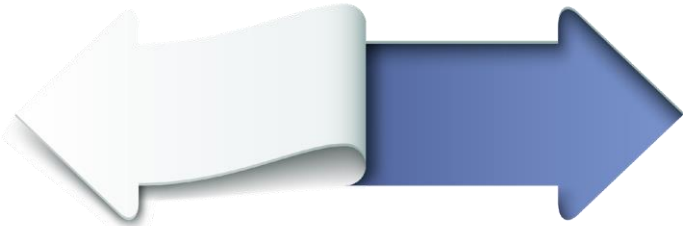

LEARNING OBJECTIVES

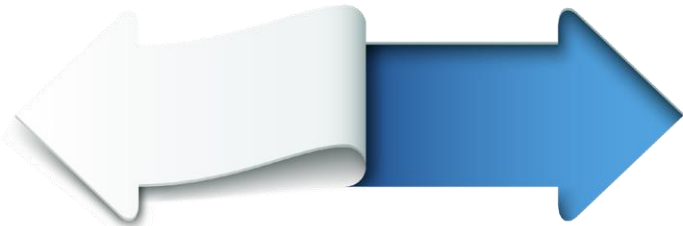

To introduce to users about online databases that subscribed by UPM Library.

To teach users to use the database properly in accordance with the relevant subject.

To help users in search of electronic information sources easily and flexibly.

To help users in full text article/book search.
