ACCESS VIA OPENATHENS

8 Click Yes.

9 Click A-Z Subscribed Online Databases.

The screenshot shows a white dialog box with the UPM logo at the top left. Below the logo is the email address "gs1111@student.upm.edu.my". The main heading is "Stay signed in?". Below this is a paragraph: "Do this to reduce the number of times you are asked to sign in." There is a checked checkbox followed by the text "Don't show this again". At the bottom right, there are two buttons: a grey "No" button and a blue "Yes" button. A small black box with the number "8" is in the bottom right corner of the dialog.

The screenshot shows the MyAthens interface. At the top left is the MyAthens logo. Below it is the UPM logo and the text "Universiti Putra Malaysia (UPM)". There are two menu items: "Research zone" and "Account". On the right side, there is a "Contact my institution" section with the following text: "Perpustakaan Sultan Abdul Samad (PSAS) UPM", "lib@upm.edu.my", "+603-9769 8642", and "https://lib.upm.edu.my/". Below this is a section titled "SULTAN ABDUL SAMAD LIBRARY_A - Z Subscribed Online Databases". At the bottom right, there is a teal button labeled "A - Z Subscribed Online Databases" with a small black box containing the number "9" next to it.

ACCESS VIA OPENATHENS

10 It will go to the **A-Z Subscribed Online Databases** page.

11 Navigate to the letter **P** to locate the **ProQuest Dissertations & Theses Global**.

The screenshot shows the website for Sultan Abdul Samad Library at UPM. The top navigation bar includes links for HOME, A-Z ONLINE DATABASES, and E-JOURNALS. Below the library name, there is a secondary navigation bar with links for ABOUT, SERVICES & FACILITIES, DIGITAL RESOURCES, USER EDUCATION, EXHIBITION, and GUIDE. The breadcrumb trail indicates the current location: Home » Digital Resources » Online Databases » A-Z Subscribed Online Databases. The main heading is "A-Z Subscribed Online Databases" with a circled "10" next to it. Below this is a navigation bar for the databases, with the letter "P" circled as "11". The list of databases starts with "A" and "ACM Digital Library". The description for ACM Digital Library is provided below the link.

Search tips

LET'S START!

- 01 Basic Search
- 02 Advanced Search

BASIC SEARCH

The **basic search** allows you to search for items by all fields. To start searching, simply begin typing your search terms in the search box.

1 Click **Basic Search**.

2 Click **Dissertations & Theses**.

The screenshot shows the ProQuest search interface. At the top, the ProQuest logo is on the left, and 'Access provided by UNIVERSITI PUTRA MALAYSIA' is on the right. Below the header, the text 'You are searching 5 databases' is displayed. A navigation bar contains 'Basic Search' (highlighted with a '1' in a box), 'Advanced Search', 'Publications', 'Browse', and 'Change Databases'. Below this is a row of source type filters: 'All' (highlighted with a '2' in a box), 'Scholarly Journals', 'Books', 'News Sources', 'Dissertations & Theses', and 'All source types'. A search box with the placeholder 'Enter search terms...' and a search icon is positioned below the filters. At the bottom left of the search area, there are checkboxes for 'Full text' and 'Peer reviewed'. A 'Search tips' link is located at the bottom right.

BASIC SEARCH

3 Enter your search term in the search box.
e.g. “virtual reality”

4 Click the search button.

The screenshot displays the ProQuest search interface. At the top, the ProQuest logo and 'UNIVERSITI PUTRA MALAYSIA' are visible. Below the header, a navigation bar includes 'Basic Search', 'Advanced Search', 'Publications', 'Browse', and 'Change Databases'. The main search area features a row of source type filters: 'All', 'Scholarly Journals', 'Books', 'News Sources', 'Dissertations & Theses' (highlighted in teal), and 'All source types'. A search box contains the text '"virtual reality"', with a circled '3' next to it. To the right of the search box is a search button with a magnifying glass icon and a circled '4'. Below the search box, there is a 'Full text' checkbox and a 'Search tips' link.

BASIC SEARCH

5 Search results for “virtual reality”.

6 You can use **Applied filters** to narrow down the search results.

The screenshot shows the ProQuest search interface. At the top, the ProQuest logo and 'Access provided by UNIVERSITI PUTRA MALAYSIA' are visible. The search bar contains the query '"virtual reality"'. Below the search bar, a row of filter buttons includes '+ immersive technology', '+ user experience', '+ gaming applications', '+ educational tools', '+ therapeutic uses', and '+ social inte'. A red box labeled '5' highlights the search bar area. Below the filters, the search results are displayed. The first result is a dissertation titled 'Der Stellenwert der Augmented-Virtual Reality unterstützten Lehre in der Neuroanatomie' by Katharina Viola Fuchs. A red box labeled '6' highlights the 'Applied filters' section on the left, which shows 'Dissertations & Theses' as the active filter. The result card includes the title, author, and a snippet of the abstract.

BASIC SEARCH

7 The search results after applied filters.

8 You can get a full text of the dissertation/thesis.

9 Click on any chosen title.

The screenshot shows a search results interface with the following elements:

- Annotation 7:** A box around the text "15,714 results" and a thumbs-up icon.
- Annotation 8:** A box around the "Full Text" button in the top right of the search results area.
- Annotation 9:** A box around the title "Using Virtual Reality for Assessment of Physiologic Monitoring Measures in Pediatric Pain Populations".

Applied filters: Dissertations & Theses, Last 5 Years, English.

Search options: Modify search, Recent searches, Save search/alert.

Result 1: Using Virtual Reality for Assessment of Physiologic Monitoring Measures in Pediatric Pain Populations. Marwah, Harsheen. Boston University ProQuest Dissertations & Theses, 2025. 31847351. Abstract/Details, Full text - PDF (4 MB), Order a copy.

BASIC SEARCH

The bibliographic information page: title, author's name, university/institute's name and year.

10 You can view **PDF full text content**.

11 Click here to **Download the PDF**.

The screenshot shows a ProQuest interface for a dissertation. At the top, there are navigation links: '< Back to results', '1 of 15,714 >', 'Full Text | Dissertation or Thesis'. The main title is 'Using Virtual Reality for Assessment of Physiologic Monitoring Measures in Pediatric Pain Populations'. Below the title is the author 'Marwah, Harsheen.' and the source 'Boston University ProQuest Dissertations & Theses, 2025. 31847351.'. On the right side, there is a toolbar with icons for 'Download PDF', 'Order a copy', 'Cite', 'Copy URL', and 'All Options'. A callout box with the number '11' is positioned over the 'Download PDF' icon. Below the title, there are tabs for 'PDF' and 'Abstract/Details'. The main content area shows a PDF viewer with a document thumbnail on the left and a larger view of the document on the right. The document page shows 'BOSTON UNIVERSITY' and 'ARAM V. CHOBANIAN & EDWARD AVEDISIAN SCHOOL OF MEDICINE'. A callout box with the number '10' is positioned over the university name. On the right side of the PDF viewer, there is a 'Research Assistant' sidebar with an 'Insights' section. The insights text reads: 'Here is the **key takeaway** of the document, based on the author's abstract. Physiologic monitoring integrated with virtual reality interventions shows promise for assessing cognitive and stress responses in pediatric pain populations, but further research is needed to validate measures like cognitive load and improve monitoring technology. **Additional topics discussed include:**' Below the insights is a text input field 'Ask a question (beta)' with an upward arrow icon.

ADVANCED SEARCH

Use the **Advanced Search** to create a more structured query, searching across different fields.

1 Click **Advanced Search**.

The screenshot shows the ProQuest website interface. At the top, there is a teal header with the ProQuest logo on the left and 'Access provided by UNIVERSITI PUTRA MALAYSIA' on the right. Below the header, the main content area has a dark background with the text 'You are searching 5 databases'. Underneath this, there are navigation tabs: 'Basic Search', 'Advanced Search', 'Publications', 'Browse', and 'Change Databases'. The 'Advanced Search' tab is highlighted with a white underline and a small black box containing the number '1'. Below the tabs, there is a search bar with the placeholder text 'Enter search terms...' and a search button with a magnifying glass icon. To the right of the search bar, there are several filter buttons: 'All', 'Scholarly Journals', 'Books', 'News Sources', 'Dissertations & Theses', and 'All source types'. At the bottom of the search bar, there are checkboxes for 'Full text' and 'Peer reviewed' with an information icon. In the bottom right corner of the search bar, there is a 'Search tips' link.

ADVANCED SEARCH

2 Enter your search term in the search box.

3 Then, click the **drop-down menu** in the right side to select the search field options.

4 Between each row select **Boolean operators** to connect your search terms.

The screenshot shows the ProQuest Advanced Search interface. At the top, it says "ProQuest" and "Access provided by UNIVERSITI PUTRA MALAYSIA". Below the header, there are navigation tabs: "Basic Search", "Advanced Search" (which is selected), "Publications", "Browse", and "Change Databases". The main heading is "Advanced Search" with sub-links for "Command Line", "Recent searches", "Thesaurus", "Field codes", and "Search tips".

The search form consists of three rows. The first row has a search box containing the text "educational psychology" (marked with a '2'), followed by the word "in" and a drop-down menu set to "Anywhere" (marked with a '3'). The second row has a drop-down menu set to "AND" (marked with a '4'), followed by a search box containing "learning", the word "in", and another "Anywhere" drop-down menu. The third row has a drop-down menu set to "OR", followed by a search box containing "teaching", the word "in", and a third "Anywhere" drop-down menu.

Below the rows, there are buttons for "+ Add a row" and "- Remove a row". There are also checkboxes for "Limit to:

In the bottom right corner, there are two buttons: "Search" and "Clear form".

ADVANCED SEARCH

5 You can limit your search to **Full text** and **Peer Reviewed**.

6 Use the **Publication date** option to limit your search to a certain time period.

7 Click **Search**.

The screenshot shows the ProQuest Advanced Search interface. At the top, it says "Access provided by UNIVERSITI PUTRA MALAYSIA". The navigation bar includes "Basic Search", "Advanced Search", "Publications", "Browse", and "Change Databases". The "Advanced Search" section has tabs for "Command Line", "Recent searches", "Thesaurus", "Field codes", and "Search tips". The search criteria are as follows:

- Search term: "educational psychology" in "Anywhere"
- AND search term: "learning" in "Anywhere"
- OR search term: "teaching" in "Anywhere"

Below the search criteria, there are options to "Add a row" and "Remove a row".

Callout 5 points to the "Limit to:" section, which has checkboxes for "Full text" (checked) and "Peer reviewed" (unchecked).

Callout 6 points to the "Publication date:" dropdown menu, which is set to "Last 3 years".

Callout 7 points to the "Search" button.

ADVANCED SEARCH

8 Search results for “educational psychology” AND learning OR teaching.

9 You can narrow your search result further.

10 Click any chosen title.

The screenshot shows a search interface with a teal header. The search bar contains the query: "educational psychology" AND learning OR teaching. Below the search bar, there are several filter buttons: "+ cognitive development", "+ motivation theories", "+ learning styles", "+ educational assessment", and "+ instructional strategies". A red checkmark indicates "Additional limits - Date: Last 3 years".

The search results section shows "225,351 results". On the left, there are filter options: "Show results outside my library's subscription." (unchecked), "Sorted by" (set to "Relevance"), and "Limit to" (with "Full text" checked and "Peer reviewed" unchecked).

The first search result is a scholarly journal article titled "Self-Regulated Learning in English Language Instruction at Colombian Universities: Teachers' Perspectives". The article is by Bravo, Jackeline; Ene, Estela. It is published in Profile; Bogota, Vol. 28, Iss. 1, (Jan-Jun 2026): 193-212. The article is available in full text.

Annotations: A box with the number 8 is placed over the search bar. A box with the number 9 is placed over the "Sorted by" dropdown menu. A box with the number 10 is placed over the article title.
